

Silver Spas 

# Spa Lifestyle

---

When relaxation, your own health, wellbeing and fun with your family become part of your weekly routine, your life is enriched for the better.

Making a spa or swim spa the centrepiece of your backyard will open up a world of amazing outdoor entertainment, buzzing family gatherings and enhanced unwind time. Create an atmospheric experience designed to suit your ideal lifestyle with a Silver Spa.

# Family Fun

---

Whatever your life situation, there is a Silver Spa to suit your family. Whether you have a large family or its just you and your partner, a spa or swim spa can enhance your life in so many ways.

From kids' parties on the weekend to simply relaxing any night of the week, Silver Spas have a spa model to suit!

# Relax & Unwind

---

If pure luxury is what you desire, making a spa part of your life is the discerning choice. Bring the ultimate in indulgence into your own backyard with a Silver Spa.

Whether it be a specific seating configuration, hydrotherapy experience, or perfectly temperature controlled, purified water - the ideal spa experience is a Silver Spa!

# The Soothing Touch

---

Hydrotherapy is one of the most effective ways to ease muscular aches and pains. With all Silver Spas models, you can select from a range of powerful massaging jets that relieve muscular discomfort, stimulate injury recovery, alleviate stress and help soothe body and mind.

So, if you are in need of regular remedial relief from sports injuries, or simply the satisfaction of having hydrotherapy readily available, a Silver Spa is the perfect addition to your home.

**New Zealand's  
Own Luxury Spa Choice**

## Made in New Zealand

---

Silver Spas are manufactured in New Zealand by our dedicated team of local experts. This ensures all our products are created with the local climate in mind and are built to last, using only the highest quality components from around the world.

Each Silver Spa is fully tested on completion of manufacturing using sophisticated diagnostic equipment. This allows us to guarantee you satisfaction with every Silver Spa we produce.

## High-grade Manufacturing

---

At Silver Spas, we use only the very best parts and components from around the world. Our high-flow energy efficient pumps, titanium heating elements and advanced technology controllers are sourced from the most reputable suppliers in the USA and combined with our Australian developed vermin proof bases.

This means we can deliver the most robust and technologically advanced product on the market today.

## Structural Warranty

---

All Silver Spas come standard with a 10-Year Structural Warranty. This is backed by our local manufacturing and customer support teams who are here to ensure your spa remains in optimal working condition.

That means you are free to relax and enjoy your spa with the peace of mind in knowing that if you ever have an issue, our friendly, local team are here to help.

## Leaders In Business

---

Silver Spas are a division of Spa Industries Global, who have over 25 years experience in the spa industry. Our team has been designing and innovating new products, refining technology and finding efficiencies for over a quarter of a century.

With a Silver Spa purchase you get decades of knowledge and the very cutting-edge of spa experience.
