Oh-Bubbles All Natural Soda Syrups start out as 100% Italian fruits and pulp and then added with natural Italian distilled water. We combine them to make our syrups and then infuse the essence of locally sourced and organic ingredients that are hand-crushed until the flavor profile is just right.

These low calories concentrated syrups are very easy to use, just add flat or sparkling water to the syrup, mix together and serve in a glass.

- 500ml. bottle
- 50% less sugar than main stream sodas

- NO High-Fructose corn syrup, Artificial Flavors, Colors, Preservatives
- Use it with your flat or sparkling water
- Use it as a cocktail mixer!
- BPA free food grade bottle material
